General Office and Financial Policies

The Liver Institute at Methodist Dallas and/or The Transplant Institute at Methodist Dallas (Methodist Transplant Specialists) is delighted to have the opportunity to serve you. Our primary mission is to provide you with quality, cost-effective health care, and we regard your complete understanding of your financial responsibilities as an essential element of your care and treatment. The following are our general office and financial policies. If you have any questions regarding these policies, please discuss them with the office manager.

General Office Policies:

- **Appointments:** Please arrive on time for your scheduled appointment. Patients who present without co-pay, insurance card and state photo ID may be rescheduled. Please realize that it is each individual's responsibility to keep track of appointments made. Please understand that patients are reminded of scheduled appointments 48 hours before as a courtesy only. However, on occasion you may not receive a reminder call.
 - **Late Arrivals:** If you are more than 15 minutes late, it may be necessary to reschedule your appointment for a later time.
 - **Cancellations/No shows:** If you need to cancel an appointment, 24 hours' notice is required, so that another patient may be scheduled in the time slot reserved for you. For procedures, 72 hours' notice of cancellation is required. Patients with three (3) missed appointments and/or no shows annually may result in dismissal from the practice.
 - **Methodist Transplant Specialists** may charge you an administrative fee due to insufficient notice of cancellation for appointments and/or procedures. Administrative "CANCELLATION/NO SHOW FEES" are not billed to your insurance company.
 - * \$25 Missed Appt
 - * \$100 Colonoscopy, EGD & Liver Biopsy
 - * \$250 ERCP
- **FMLA or Disability Paperwork:** Any patient that needs paperwork completed by Methodist Transplant Specialists may be assessed a \$50 processing fee. This must be paid in full before the paperwork can be picked up or faxed.
- **Medical Records Requests:** There is a \$25.00 fee for medical records up to 25 pages. Additional charges are \$0.50 per page. All medical records are processed by HealthMark and take seven business days to process.
- **Medication Refills:** All prescription refill requests should be called into your pharmacy at least five (5) working days before the last pill taken to allow adequate time for approval. Please allow at least two (2) business days for approval by your MTS provider. Refills will only be handled during normal business hours, Monday through Friday. Narcotic prescriptions will not be refilled after hours or on weekends. You may also submit refill requests through the patient portal, MyChart.
- **Behavior:** Physical and verbal abuse towards the office staff or other patients will not be tolerated. This includes disruptions affecting daily operations within the office as well as offensive behavior on the telephone with office personnel. Abusive behavior towards personnel will result in immediate dismissal from the practice.
- **After Hours:** Please call 214-947-4400 and you will be directed to our answering service for urgent needs after hours. The answering service will notify on call personnel.
- **Feedback:** We appreciate all feedback provided. You will be receiving a patient satisfaction survey from Press Ganey. Please take time to complete this and let us know how we are doing.

Financial Policies:

- **Insurance:** Insurance cards must be available prior to each visit. Please notify our office if there is a change in your insurance plans or coverage. We file claims as a courtesy to our patients and are only responsible for filing claims to the contracted insurance company for the member. Any dispute for unpaid charges from the insurance company will be billed to the member. All patients must have a valid insurance ID card in order to utilize benefits.
- **Charges:** Full payment is due at the time services are rendered unless other payment arrangements have been made. Copay balances are expected at the time of service. In the event your health plan determines a service to be "non-covered", you will be responsible for all non-covered and allowable charges. Delays in insurance processing occur when insurance information is not provided in a timely manner. Such delays may also result in insurance not covering care. Whenever insurance denies payment for service, it is your responsibility to cover the charges, therefore, it is important to review your benefits with your insurance provider.
- **Methodist Transplant Specialists** will bill your health plan for all physician services provided in the hospital. Any balance due is your responsibility and is due upon receipt of a statement from your physician.
- For your convenience, Methodist Transplant Specialists accept cash, check, debit card, VISA, MasterCard, Discover, and American Express. Some of our satellite clinics do not accept cash payments.
- For all services rendered to minor patients, the adult accompanying the patient and the parent or guardian with custody will be responsible for payment.
- A \$35.00 NSF fee will be charged for returned checks.
- Accounts not paid by the 90th day following the date of service will be turned over to an outside collection agency, unless arrangements have been made in advance. If you have multiple delinquent accounts, you may be asked to transition your care to another office.

I have read and understand the above general and financial policies, and understand and agree to the terms herein. I understand that this office will file an insurance claim on my behalf. I understand that I will be fully responsible for payment of any and all medical services denied by my insurance company to the extent permissible under state and/or federal law.

Advanced Practice Provider (APP) (Physician Assistant and Advanced Practice Nurse Consent)

This facility has on staff Advanced Practice Providers (Physician Assistants and Advanced Practice Nurses) to assist in the delivery of medical care.

An Advanced Practice Provider (APP) is not a doctor. They are graduates of a certified training program and are licensed by the Texas state board. Under supervision of a Physician, an APP can diagnose, treat and monitor common acute and chronic diseases as well as provide health maintenance care. "Supervision" does not require the constant physical presence of the supervising Physician, but rather overseeing the activities of the extender and of accepting responsibility for the medical services provided.

An APP may provide such medical services that are within his/her education, training and experience. These services may include, but are not limited to:

- Obtaining histories and performing physical exams.
- Developing and implementing a treatment plan.
- Monitoring the effectiveness of therapeutic interventions.
- Offering counseling and education.
- Supplying sample medications and writing prescriptions.

I understand that at anytime I can refuse to see the Physician Assistant or Advanced Practice Nurse and request to see a Physician. I also understand that should I make this request at the time of my visit, my Physician may not be readily available and my appointment may need to be rescheduled.

I have read the above and hereby consent to the services of an Advanced Practice Provider for my health care needs.

b. I understand that Medicaid recipients are responsible for payment of any medical care or service received that is beyond the amount, duration and/or scope of the Texas Medicaid Program, as determined by the Medicaid Department or its health insuring agency. All payments for non-covered services are due and payable at the conclusion of each office visit unless prior payment arrangements have been made.
